There is a conference bus service between the City Centre (Radisson SAS Atlantic Hotel, Olav V's gate 3) and the conference site (Kjell Arholms Hus, University of Stavanger). The departure times are as follows:

Getting to the conference at other times

Buses no 6 and 7 go to the University and depart every 15 minutes from bus stops 19 and 32 respectively (see map below). Taxis can be found outside the Atlantic Hotel, at the Railway Station and in the harbour. The number to call a taxi is (+ 47) 51 90 90 90.

Registration and information desk

The registration desk will open at 0830 on Wednesday 26 August in the main foyer of Kjell Arholms Hus, next to the Auditoriums, and will be open continuously until 1330. After this, it will be situated in Room 049 (in the corridor leading to the parallel session rooms) together with the Book Exhibition. It will be open throughout the conference, except during keynote lectures, short lunch breaks and the last sessions on Thursday and Friday.

Book Exhibition.

There will be a small book exhibition in Room 049. It will be open from 1330 on Wednesday, except during keynote lectures, short lunch breaks and the last sessions on Thursday and Friday.

Internet Access

Delegates will be able to log on to the Internet using User IDs and passwords that are provided in the conference pack handed out at registration. These can be used in the University PC rooms (there is at least one in every building, including Kjell Arholms Hus) and on the University wireless network.

Conference Team

There will be ten people at the conference wearing blue name tags (as opposed to white): these are the Stavanger-based organizers and conference assistants. If they cannot help you with a query, they can at least phone someone who (hopefully) can.
