BJØRGE TIMENES LAUGEN

Bjørge Timenes Laugen is Associate Professor of Strategy and Innovation management at the University of Stavanger, Norway. He received his MSc in Engineering in 2000, and his PhD in Innovation Management in 2006, both from Aalborg University, Denmark. His main research interest is the link between new product development, production, strategy, organizational development and continuous innovation. Dr. Laugen is a board member of CINet (Continuous Innovation Network), a global network set up to bring together researchers and industrialists working in the area of continuous innovation.
