

INTERNSHIP UTSIRA KOMMUNE

May Britt Jensen –Chief municipality executive

UTSIRA IN A NUTSHELL

Located 18km off the coast

Norway's smallest municipality based on inhabitants (193)

Europe's first female mayor (1926)

World's first full-scale combined wind power/hydrogen plant (2003)

Extraordinary variety of birds

Street art from international artists spread over the entire island

GOOD TO KNOW

YOUR WORKSPACE

You will work primarily on Utsira. Anyhow, a few days - up to a week remote work is possible.

YOUR PROFILE

We welcome 2-4 students from different fields, e.g. Change Management or Energy, Environment and Society. English speaking students welcome!

YOUR ACCOMMODATION

We work on providing a free of charge, shared student accommodation for your stay with us.

MASTER'S THESIS

We look forward to further develop your project idea and collaborate with you for your master's thesis.

DIVERSE PROJECTS

- Sustainable energy
- Utsira North
- Smart grid
- Electrification of ferry

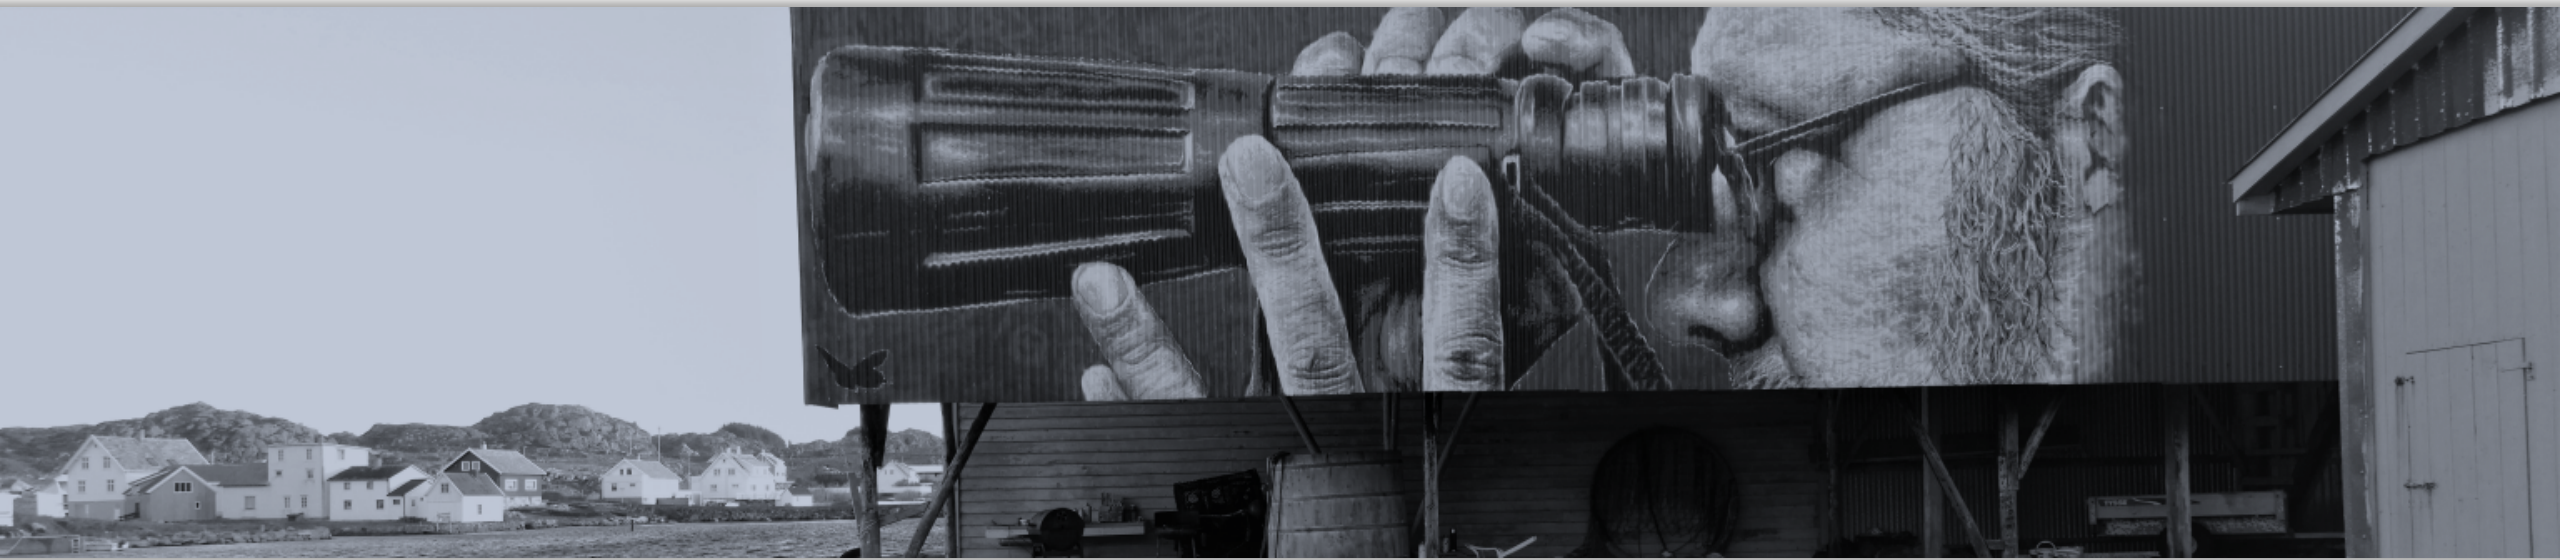

- Remote work/Co-working space
- Cooperation with different entities (academia)

- 100 year anniversary
- ‘Smart Utsira’
- Urban development
- Revision of municipal plan

- Crisis planning (e.g. water shortages...)
- Risk analysis

YOUR INTERNSHIP ON UTSIRA

BROAD SPECTRUM OF PROJECTS AND TASKS

- Learn about the work and procedures in municipalities in cooperation with our subject matter experts and project partners
- Choose and oversee your project throughout your semester
- Get your own mentor depending on your project and field of study

CUSTOMIZE YOUR INTERNSHIP

- Be creative! Find a project you care about and which has an impact
- Together we shape your internship based on your fields of interest, experience and expectations
