

10th Norwegian Environmental Toxicology Symposium

28th - 29th August 2025

NETS 2025 will be held as an in-person event only in Stavanger, with no live-streaming component. Over two full days, participants will enjoy a programme packed with scientific sessions, plenary lectures, poster exhibitions, and networking opportunities.

PRESENTATION GUIDELINES

Platform (Oral) Presentations

Duration: 15 minutes for the presentation + 3 minutes for Q&A.

Format: Microsoft PowerPoint.

Submission: upload your file here no later than the 25th August: <https://nettskjema.no/a/nets2025-uploads>

Moderation: Sessions will be chaired and strictly moderated to ensure timely transitions between presentations.

Poster Presentations

Format: Printed poster

Poster Size: A0 Portrait

Max dimensions: 95 cm wide × 124 cm high (fits the poster wall size).

Set-Up: Posters must be mounted by 08:30 on Thursday, 28th August and displayed until 16:00 on Friday, 29th August.

Mounting materials will be provided.

Poster Highlight Presentations

Selected poster presenters are invited to participate in a Poster Highlight Session, which consists of:

- A 4-minute pitch summarising key findings.
- Immediately followed by a moderated group discussion with attendees.

To ensure comfortable participation, a screen will be available in the poster area. Presenters may use this screen to display a few PowerPoint slides or the poster. Poster highlight presenters are requested to upload the digital materials they wish to display no later than 25th August 2025: <https://nettskjema.no/a/nets2025-uploads>

This session schedule will be communicated to the presenter ahead of the symposium.
